SERIES SPECIFICATIONS

Energized Electrical Degreaser is a non-flammable, fast evaporating cleaner that penetrates instantly to remove the dirt, oil, grease, wax and other foreign materials that can decrease the life of electrical components & cause costly downtime. Degreases more thoroughly & several times faster than alkaline cleaners. Excellent for degreasing aluminum, cleaning sheet & strip steel prior to galvanizing. Equipped with a high delivery valve for cleaning efficiency, extension tubes are also included for hard-to-reach areas
